All conference participants will automatically receive a conference volume and a USB-stick for the price of € **65,--**. The unit price depends on the number of copies published. We have reached a very high quality and volume, which we want to maintain. Financing is getting more difficult due to the small number of volumes published and rising printing costs. Therefore, it is necessary to reach an ordering volume of at least 250 copies. The edition depends exclusively on the number of participants and additional orders. A higher number of copies or reserve copies cannot be financed.

Please **only** transfer the organizational fee of **20 € per conference participant** to the account of the Vorarlberger Hypo Landesbank AG IBAN: AT80 5800 0123 0423 8036 BIC/Swift code: Instruct HYPVAT2B.

Please use cashless payment - last payment date: Monday October 7th, 2022, bring the payment confirmation with you!

Hotel and accommodation costs are to be paid separately at the hotel. Note that in the Czech Republic "Krones" is the currency (exchange rate)! The working group can only accept €!

Organisational committee:

Jiří Pátek - Director of CHH Přebyslav and his team from the Fire Brigade Museum.

The registration form is attached in PDF format. Please fill in the form with the Adobe Acrobat Reader X and send it to anmeldung@ctif-history.com and cc to chhpribyslav2021@gmail.com as soon as possible, at the latest until June 1st, 2022.

Please promote orders of the conference volume to your comrades. National associations and country fire department associations should be encouraged to buy two copies. Furthermore, individual fire brigades, district and county fire associations, fire brigade museums and others may also be interested and benefit from our research results.

Our research results should be promoted to a large number of interested parties!

When registering, we ask participants to collect and pay volumes ordered additionally. Delivery by mail is rather troublesome and relatively expensive, but still possible.

The sale of the volumes and USB-sticks 2022 is organized by the chairman Ingo Valentini.

You will receive the registration confirmation with the final program during summer.

Looking forward to meeting you in Přebyslav, we remain with comradely greetings
